Dear Colleagues,

Please find below a few bits of information to keep you up to date with the latest news.

1) Judge Changes and news

Many congratulations to Gary Bellamy from Hertfordshire who passed his Regional assessment. His new grade will start straight away.

2) SCAS Website and new JLO Email Address

The new SCAS website is now up and running at <https://scasarchery.org.uk/>. Many thanks to Richard Pilkington for his hard work in setting up the site and for answering all my questions!

Don't forget if you need to contact me about any JLO matters, please use the new email address – judges@scasarchery.org.uk

3) World Archery Interpretations

World Archery have released a new Interpretation

Book 4 – 22.5.6 – outsert pinnock system for Longbows in 3D

The eagle eyed among you may have noticed that you can no longer see the Bylaws and Interpretations on the World Archery website, they are now included within the Rule Books themselves. However there is a back way -

<https://extranet.worldarchery.org/documents/?dir=47>. Just click on Bylaws or Interpretations, choose the correct language and years and any new ones are there (helpfully dated).

4) Being in Charge at Tournaments

With the recent changes to who can be in charge of a WRS Shoot (non Head to Heads) and the requirement that people wanting to go for National must have been COJ at 4 UKRS or WRS tournaments, some of our Regionals are struggling to find tournaments to be COJ at.

Can I please ask that Nationals and Regionals who are Chair of Judges at events where there is a Judge who either wants to go for National or wants to learn to be a Chair that they consider giving that Judge the opportunity. It does not mean that you cannot go to the shoot, just let someone else have the experience of being Chair of Judges for a year. New Judges need to learn these skills and have the experience to progress and being able to learn when there is an experienced Judge in the Team is a perfect way to do that.

5) Shorts

The Judges Working Group have said that going forward smart shorts of a suitable length and the same colour as the uniform trousers are allowed. However, they can only be worn at Outdoor events where the temperature is due to be more than 25 degrees centigrade. The exception is any televised/internet stream Finals events where long trousers must be worn (for example the Finals at the Youth Festival or some Selection Shoots). Please liaise with the COJ and TO if you are not sure.

6) Important Dates for your Diary

Just a reminder of some important dates

Katy Lipscomb
