ANNUAL GENERAL MEETING

Saturday 04 April 2020

SECRETARY'S ANNUAL REPORT

THE SOUTHERN COUNTIES ARCHERY SOCIETY (SCAS) is a Regional Society of the Grand National Archery Society (GNAS) trading as Archery GB, and is concerned with, and responsible for, the 14 English Counties east of a rough line drawn from the Wash to the Hampshire/Dorset border. All counties except Suffolk have their own associations; Suffolk archery is administered by Essex. The Isle of Wight and the Channel Islands are considered, for archery purposes, to be part of Hampshire. SCAS is the largest region in the country, having just over a third of all AGB archers within its boundaries.

JUDGES' LIAISON OFFICER REPORT

2019 has been another hard working and successful one for SCAS Judges. As well as working hard in the Region they have also been representing SCAS at National, European and International events, including National Series Tournaments and Finals, AGB National Tournaments, World Archery Europe events, World Archery events, European Games, World Championships and the Olympic Test Event in Tokyo.

The SCAS Judge Committee of Hannah Brown, Richard Pilkington and Katy Lipscomb, would like to thank all the SCAS Judges team for their hard work and dedication throughout the year. This shows through not just on the field at tournaments but in the preparation they do before events and making sure they are up to date with the latest rule changes and interpretations. Many of our Judges also hold other positions within archery and put in many hours to ensure that archery within SCAS keeps improving. This is reflected in the fact that so many SCAS Judges won awards at the Archery GB AGM again.

The Judges would like to thank the SCAS Region and the SCAS Council for all their help and support throughout the year, without your support our Judges could not achieve all that they do. In particular we would like to thank the Council for funding each SCAS Judge with a new t-shirt following the uniform change.

We would also like to thank all the Organisers in SCAS that let us hold assessments at their tournaments, their willingness to help makes sure that SCAS Judges can improve and progress.

There have been a few changes in the list of Judges. As at 1st January 2020 we have 57 Judges in SCAS. This comprises of 3 International Judges, 2 International Judge Emeritus, 1 International Judge Candidate, 2 Continental, 12 National Judges, 13 Regional Judges, 17 County Judges and 7 Candidate Judges. We had 6 new Candidates join us through the year and also 1 Continental Judge, Gareth Beeby, join us from NCAS.

Unfortunately some Judges have stepped down in 2019. They were Paul Body, Kate Buxton, Zoe Jones, Martyn Gore, Paul Birch, Meera Shah and Mastveer Ghatra. We thank them for their hard work during their careers and wish them well for the future.

We have had a few changes in levels during the year.

Huge congratulations to all the following. Tony Harris and Debbie Horn passed their National Assessments; Alex Purser and Georgina Cutts passed their Regional Assessments and Paul Jackson and Warwick Drew passed their County Assessments.

Returns for the year indicate that the number of Judging days has decreased slightly by -93 days from 2018, with 912 Judging days through the year. This means the average number of Judging days per person is 17.54 days (based on having received 52 returns from of 57 Judges).

REGIONAL RECORDS OFFICER'S REPORT

The reconstructed Records have been on line for fifteen months and during that time several counties have provided corrections and suggestions, a process that went on until the middle of 2019. The first new record claim arrived within 24 hours of going on line in September 2018, and claims have been coming in at the rate of three or four a month ever since.

All claims received have been processed. During the course of the year over sixty Records have been ratified. 20 of these were eligible historic records replacing records shot by members on club target days, the others being new eligible scores shot at tournaments and matches during 2019.

Some of the Results Sheets submitted as evidence of scores showed that there could be higher scores by Southern Region archers that haven't been claimed as Regional Records. Perhaps it would help get these achievements recognised if Club and County Records Officers publicise the active existence of the Regional Records to their members.
