

2016 County Judge Re-accreditation

Questions only – NOT FOR CANDIDATE TO RETURN

Q1. You are the judge in charge of a non-record status Portsmouth event. The venue is a school hall, which has two emergency exits behind the shooting curtain and an equipment cupboard halfway up the hall; this also has an access to the hall next door. The entrance to the hall is behind the shooting line. What checks would you expect your team to carry out to ensure the range is safe? **2 marks**

Q2. You are part of the judging team at a WA 18m event. The COJ asks you to check the target face layout where both triple and full faces are used. Give details of the checks you will perform and any relevant tolerances. 5 marks

Q3.	Describe what is involved in the scoring process for a Clout (both WA and AGB).	6 marks
۹٥.		U manto

Q4. There are some situations where an arrow is considered to have not been shot. Describe what these are for the following rounds.

a) WA Clout	2 marks
b) WA 1440	3 marks
c) AGB Field	2 marks

Q5. An archer approaches the line when two whistles blow, they shoot their first arrow before the single sound signal is given. When you approach them once they have finished shooting, they explain that they are partially deaf, so don't listen for the whistle but count to 10 before they start shooting. They state they shouldn't be penalised, as they believe the COJ allowed more than 10 seconds to pass before giving the signal to shoot. What do you do? **2 marks**

Q6. You are called to a target to resolve a disputed arrow call. You notice that there is a large tear in the face, making it difficult to determine the value. What action do you take to resolve this? **2 marks**

Q7. WA Field. What is the tolerance permitted for the following:a) 15m or less	2 marks				
b) Between 15m and 60m					
Q8. In AGB Field. Which colour pegs do the following shoot from? a) Ladies Recurve Freestyle	5 marks				
b) Gentlemen Compound Barebow					
c) Ladies Recurve Barebow					
d) Under 12 Longbow					
e) Under 18 Compound Unlimited					
Q9. What margin should be provided outside the lowest scoring zone on an AGB field buttress?	2 marks				
Q10. Name 5 things you look for when checking a Field course.	5 marks				
Q11. During a WA 1440 a bouncer is claimed. How would it be scored for each of the following sit	uations? 4 marks				
a) No unmarked holes or damaged arrows can be found.					
b) Two unmarked holes are found, one in the 9 ring, and one in the 7 ring.					
c) No unmarked holes are found, but an arrow in the 8 ring has a damaged nock.					

d) An arrow in the 10 has a damaged nock, but there is also an unmarked hole in the 6 ring.

Q12. During an AGB Clout event, you are asked to give a decision for the following situations. What score would you give in each case? **3 marks**

a) An arrow is embedded in the top of the flag post.

b) The arrow is lying on the grass, straddling the blue and red scoring zones, with the point of the arrow in the blue zone.

c) The arrow is embedded in the flag with the point touching the ground in the red zone.
