

## Continental and World Archery Youth International Judge Seminars

World Archery and World Archery Europe have released their application forms for the above two seminars, and we would hope to see applications from judges within the UK to join the ranks of our current International and Continental judges.

To be eligible for:

WAE Continental Judge – Judges must have been an Archery GB Accredited National Judge for at least 2 years. You will also undergo a pre-test issued by the WAE Judge Committee should your application be successful.

The seminar will be held in Wiesbaden, Germany on the 16-18 of November, full details available at: <http://www.archeryeurope.org/index.php/events/judge-seminar-2018>

WA Youth International – Prospective candidates must be aged between 18-30 and either be a current Archery GB Judge of any grade (Including the Youth Judge grade) or an international archer.

The Seminar is to be held at the World Archery Excellence Centre in Lausanne, Switzerland on the 28-30 September, more information available from:

<https://worldarchery.org/news/157490/centre-host-international-and-youth-judge-seminars-september> (Please ensure you download the Youth Judge forms, rather than the International Judge Candidate ones)

Should you fulfil the requirement(s) above and wish to attend the seminar please fill out the relevant application and send it to [judges@archerygb.org](mailto:judges@archerygb.org) along with a short synopsis of your experience and why you wish to be a judge at that grade. We do have a limit on the number of judges at various levels and should we receive more applications than we have space for this evidence will be looked at for each applicant and decisions made based on this.

We look forward to receiving your application.
