Middlesex

Round Details

- Round - Portsmouth
- Straight league - All counties submitting and ranked in team order for each bow style.
- Bow styles –
 - o Recurve (8 archers to count)
 - o Compound (6 to count)
 - o Longbow (5 to count)
 - o Barebow (4 to count),
 - o Junior Mixed bow styles (8 to count)
- If a county has no archers for a bow style, then they are not listed in that bow styles results for the month/league results.
- Juniors Mixed team to have a handicap as follows (Recurve - as scored, Longbow and Barebow plus 20% , Compound minus 10%) (These have been worked out using the last 3 years of Hertfordshire data.)
- All scores submitted will count, up to the maximum for that bow style. If less than the stated team size, then the number of scores submitted will count.
- All archers are expected to follow their counties normal submission criteria. All scores are submitted to the "SCAS Indoor scores office - Dave Chudley, by a County Officer/ Team Manager etc. No archers are to submit directly to Dave. Any scores submitted directly to the Dave will be ignored.
- All scores submitted must be shot before the 21st and submitted to the SILO by the 28th of the month. (this is to put a little pressure on the teams to simulate an actual meeting).
- Scores submitted must list County, Archer, date shot, Score, Hits, Golds. (maybe run an individual league also, just for bragging rights) please see the score submission sheet on scas website
- All Scores to be submitted only, on the spread sheet / word document supplied by David Chudley.
- Medals will be presented for this years league for each bow style.
- All teams where possible, should contain members of the opposite sex. I would encourage all teams to have at least one member of the opposite sex in each bow style. This may increase or decrease your overall score.
- If a junior submits scores for more than one bow style for the month then only one score will count.

Any problems then please contact – Stuart Barber - 07753 681315. Please note there is not a .uk at the end of my email address. I am available up until about 11 ish most nights for work.
