Venue: The Misbourne School, Great Missenden, Buckinghamshire, HP16 0BN

Judges: Geoff Barham, David Strong, Paul Clark, Robert Jackson

Guest of Honour: Leslie Herriott – the BAA County President

The weather was a changeable mixed bag, but with no rain and no real sun, so a real bonus for this time of the year.

Despite the challenges of local road closures, a village fete, a cycle race, M25 fires, bus replacement services - attendees still managed to all get here in time to start as planned :

There were 10 Tassel claims made on the day

There was an adjusted team element this year for SCAS Counties that managed to get a minimum 4 archers to score on the day, with archers awarded points based around clout classifications (to help balance bow styles) with 4 highest taking team places. There were 4 counties that managed to fulfil this criteria (with 3 more just falling shy with only 3 archers).

I would like to thank BAA for hosting this event and the Judges again for their support and guidance throughout the day, and also Lesley Herriott for honouring us with her presence.

A big thank you to Mary Blumbergs for keeping me on track on the day itself and all the days running up to this event. Also thanks to Charlie Haynes (SCAS RDO) for his visit and support, great to see him off to a good start in this role. And finally a thank you to all those attendees for making it a lovely day

We hope to see you all again next year, Date TBA
